The typesetter and journal apologize for an error in the above paper, which appeared in volume 45, issue 5, pages 257–279. In Fig. 1B the stages of folliculogenesis on the right-hand side should be labelled 'Gonadotrophin dependent'. The correct figure is shown below.

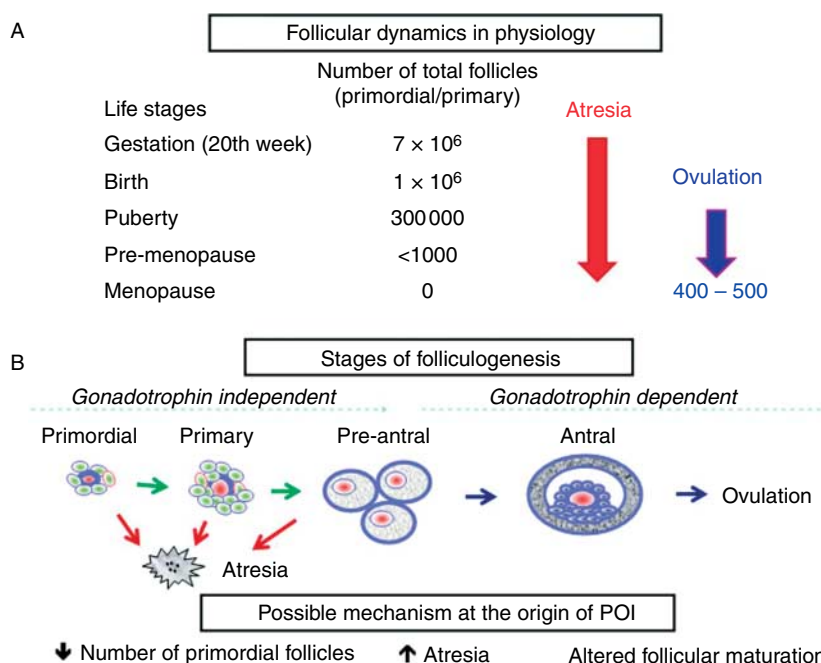

Figure 1 (A) Follicular dynamics and illustration of the folliculogenesis process in physiology. (B) The possible mechanisms generating POI may affect different stages of folliculogenesis.
